Gomocha FSP Portal: Show Week Numbers on Planboard

Step 1: Go to "Administration".

Step 2: Select "System Settings".

Step 3: On the "General Settings" screen, choose "Planning Settings".

Step 4: Enable "Show week numbers during planning".

Step 5: Click Save.

Step 6: Navigate to "Planboard".

- Week numbers will now be visible on the **Plan Board Agenda** screen.
